 Replaces missing elements in their lives (i.e. attention, affirmation, happiness, positive memories, "basics" such as food, clothing, and emotional connectedness)

### Community:

Brings the church and state together for a noble cause  
 Community sees the church in a new light, as a giver and a servant  
 Gives caregivers a respite break

### Church:

Gets people involved - "out of the pew and involved with a purpose"  
 Builds faith in the members involved  
 Expands the church into the community
